#### A WORD WITH WOMEN

#### Valuable Adv ce For Logan Readers

Many a woman endures with nobie patience the daily misery of backsche pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she does not know what is the matter.

It is not true that every pain in the back or bip is trouble peculiar to the sex. Often when the kidneys get congested and inflamed, sucn aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Do not expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home-Read Logan womans convincing state-

Mrs. Albert Neilson, River Heights Logan, Utah, says: "I take Doan's Kidney Pills whenever my kidneys are weak and they always help me at once and tone up my system. I can not praise this remedy too highly. The statement I gave some years ago still holds good."
